

Chemistry Course Expectations (Syllabus)

Camp Verde High School 2017-18

Instructor: Mr. Malloy

Phone: 928-567-8033

E-mail: mmalloy@campverdeschools.org

Text: Modern Chemistry (Holt, Reinhart)

Items needed: Scientific calculator, \$8.00-\$12.00 at Wal-Mart or Office-Max.

A three ring binder (notebook). A mechanical pencil is required. Mechanical pencils reduce class disruptions due to noise from pencil sharpeners.

Cell Phones: Will be turned in at the beginning of class and remain in the box until the end of class.

Class expectations: Students are required to be in their seats ready for class with calculators, pencil and notebooks when the bell rings. A tardy will be given if the student

Homework expectations: Students will be given homework assignments for each chapter. If you experience problems with the homework, come in for help before or after school for help during the tutorial time in my classroom (room 201).

Exams: Tests will be given every two to three weeks and cover material given in class.

Grading Procedures:

0%-59.4% = F

59.5%-69.4% =D

69.5%-79.4% =C

79.5%-89.4% =B

89.5%-100% = A

These grades make up 80% of your overall score with the final exam making up the rest of your semester grade.

Grades are based on student performance on homework, labs, tests, notebooks and class participation.

Extra-credit is only allowed with instructor approval and once all other work has been completed.

Late work will be given 75% of graded total after one day, 50% of the graded total after 2 days and will not be accepted after two days beyond the due date.
