

Weekly Board Report 24 October 2018

Title I and Title II grant allocations have been delayed this year due to federal audit findings at the Arizona Department of Education's Grants Management Division. Allocations were finally sent to us last Friday. Both our Title I and Title II grants are down about 15%. Decreases in both grants leave us with about \$112,000.00 less than last year. We expected a decrease, but this will be challenging. With our carry forward we should be okay for this year, but changes will be in order next year for programs supported by these grants.

Winter Sports are coming up so please don't wait until the last minute to obtain your Red Card! See Mrs. Johnson if you have any questions!

Coming this week:

The Camp Verde High School Theatre Arts Guild proudly presents the play, "The Lion, the Witch and the Wardrobe", directed by senior theatre student Bailey Gagnon, This is a retelling of the C.S. South Verde Math

This week we have a picture of one of the students learning about the quadratic form. One equation is written in the form of a quadratic equation ($ax^2 + bx + c = 0$) to solve by hand easily, then back substituted to find answers to the original equation. He changed the note at the bottom into a smiley face! :)

Community:

Three of our students volunteered during Fort Verde Days with the Verde Valley Resale float. Their float received first place in the commercial float category.

Science:

Our trebuchet is close to being finished for the pumpkin chucking contest on October 28th at the Cottonwood fairgrounds. Throwing begins at 12 pm. Anyone is welcome to attend.

Art:

This week in art students drew a distorted self-portrait. They first took a picture of themselves using a program that distorts their image and then they used that image to create their portrait.

Pictures:

Senior portraits were taken on Wednesday. Below is Jessica Norman with her cap and gown.

College:

Juniors and seniors are planning their Spring semester at Yavapai College. Soon they will attend a YC day on the Prescott campus where they will be a Yavapai College student for the day.

Basketball try-outs start next week at Camp Verde Middle School. Wrestling and cheer will be getting underway soon as well. The volleyball team took 4th place in their league tournament this past weekend. Way to go girls!!

Quarter 1 ended a week ago, and the awards assembly for it will take place this Wednesday, October 25, in the auditorium starting at 11am. The second dance of the year is happening Thursday. The Halloween Dance goes from 6-8pm in the cafeteria.

This past Friday the Middle School had its monthly professional development. It started with Mr. Howe, Steve Stone, Bryan Pelfrey, and Rick Watkins (not in that order), cooking up eggs and bacon for the teachers. Many brought in casseroles, bagels, fruit, and juice. It was a great breakfast, followed by STAR Reading training.

CVMS Teacher In-Service with Breakfast! Thank You Teachers for all you do!!

Kids Against Hunger. A few Camp Verde Middle School students came to volunteer in Cottonwood on October 21st!

In the **Developmental Preschool**, Mrs. Mazur taught the students the letter H and they had the opportunity to make some very yummy hummus. From the looks on the students' faces, they not only enjoyed the activity, they also enjoyed the eating.

In the **Elementary**, Ms. Powers has been learning the *Being a Writer* program the general education teachers are using. She has been able to work on goals and objectives while using this program with her students. This allows her students to write with familiar directives so they can focus on improving their writing skills within the general education curriculum. She has also been having her student practice cursive writing before they begin their weekly writing assignments. This is not only beneficial for the student to learn cursive, but they are also able to enhance their fine motor skills and practice writing higher level sentences with correct grammar and punctuation. Ms. Powers has plans to start working on keyboarding skills soon to help the students with their computer skills.

In Mrs. Weir's resource room, the students were welcomed back from the long weekend to an activity of cookie icing. The students had to draw faces on their pumpkin cookies as they worked on penmanship skills. During this time, they also began developing stories for their upcoming Halloween activities. What a great way to come back to school after a long weekend.
