

**Results of Parent of Native American Student Surveys for 2017-2018:** In October, 187 parent surveys were mailed to the families of Indian students. CVUSD received 5 completed surveys. At a meeting on October 18, 2017 CVUSD Administrative Team met to review the responses and comments that were submitted by parents of Indian students. The main area that the administrative team noticed was the parents said they were not receiving enough information about what their student was being taught and on testing information. The Administration Team has decided to address this concern by working to have curriculum or class syllabi posted on the District website. Principals are currently working on gathering this information and working with technology to upload this and more information.

**Participation for Friday Programs**

CVUSD is currently offering Friday Camps which are available to all students. Indian students are participating in the following Friday Camps: Arts and Crafts, beginning Robotics, Brain Games, Fitness and Sports, Gardening, Sewing and Basketball. CVUSD has hired a Friday Camp Coordinator and is continuously working to offer Friday Camps that the interest and enrich the students. All suggestions are welcome and will be relayed to the Friday Camp Coordinator or you may contact her directly, Peggy Dickey at 567-8043.
