INDIAN POLICIES AND PROCEDURES
(Participation of Indian parents and tribes in the educational process pursuant to special impact aid provisions for local educational agencies that claim entitlements based on the number of students residing on Indian lands)

It is the intent of the Camp Verde Unified School District that all Indian children of school age have equal access to all programs, services and activities offered within the school district. To this end, the Camp Verde Unified School District will consult with local tribal officials and parents of Indian children in the planning and development of Indian Policies and Procedures (IPPs), general education programs and activities. These policies and procedures will be reviewed annually and revisions will be made within 90 days of the determination that requirements are not being adequately met.

Attestations

The Camp Verde Unified School District (LEA) attests that it has established Indian Policies and Procedures (IPPs) as required in section 7004 of the Impact Aid law for any children claimed who reside on eligible Indian lands. The IPPs have been adequately disseminated to the tribes and parents of the children residing on eligible Indian lands. A copy of the current policies and procedures was attached to the FY 19 Impact Aid application.

The Camp Verde Unified School District attests that it has provided a copy of written responses to comments, concerns and recommendations received from tribal leaders and parents of Indian children through the Indian Policies and Procedures consultation process and disseminated these responses to tribal leaders and parents of Indian children prior to the submission of their FY 19 Impact Aid application.

Impact Policies and Procedures

The following Indian policies and procedures will become effective upon school board approval.

Policy (1): The LEA will disseminate relevant applications, evaluations, program plans and information related to the LEA's education program and activities with sufficient advance notice to allow tribes and parents of Indian children the opportunity to review and make recommendations.[34CfR222.94(a)(1)]

Procedure 1: The District Administrator/designee will, as soon as reasonably possible after such information is available, but no later than two weeks in advance of any meeting, mail and/or email for review by Indian parents and Tribal officials a copy of the following documents:

- Impact Aid application;
- Evaluation of all educational programs; and
- Plans for education programs the District intends to initiate or eliminate

In addition, information regarding these materials will be included on the District's website, if appropriate.

Parents of Indian children, tribal officials and the public will be given notice of any and all meetings related to equal participation or the content of the educational program by including information about meeting times and locations in the questionnaire to be disseminated in the fall. The location, date and time of any meeting described above shall be posted in the same manner as a legally posted Board meeting. The data will be utilized to develop appropriate supports for various programs.

Tribal officials and parents of the Indian children may make comment on equal participation of their students during the Indian Education Committee meetings in November and April, at the Indian Education Committee meetings, or directly to the school district.

If determined that there are gaps in Indian participation in the educational program or activities, the Camp Verde Unified School District Board in consultation with the Indian Educational Committee and tribal officials, will modify its educational program in such a way as to improve Indian participation.
